

COROSILIN AND LAGERBERG AND ITS APPLICATION FOR WEIGHT-LOSS
MAINTENANCE AND BLOOD SUGAR BALANCE

ABSTRACT

5 A soft gelatin capsule and retainer to deliver an efficacious dose
of *Lagerbergia* and *Corosilin* (patented by Soft Gel Technologies
under the trademark *LAGERBERG*™) for the assistance and maintenance
of moderate weight loss through blood sugar maintenance. The
product relieves the effects of acetoacetic acid on blood sugar
10 levels to relieve the symptoms of Type II diabetics
(non-insulin dependent diabetes mellitus) and the improved
absorption of the product in the digestive system. The product provides
safe and sustained weight loss when combined with a restricted
calorie diet and exercise. Benefits include improvement
15 of cardiovascular health, normalized blood sugar levels, and
improved physical appearance with the positive psychological effects
associated with successful and safe weight loss/maintenance.
